On consideration of the above quotations and as an emergent measure it was found advantageous to place an order with the Bharat Sales Corporation, Mangalore for the required quantity of 'Avon' Tyres, tubes and flaps at the rates quoted by them for the following reasons, without invitation of sealed tenders as per existing rules.

The total cost involved comes to Rs 3556-7-3. The municipal council in its resolution No.695 dated 21-3-54 resolved that these tyres may be purchased for the reasons stated above and address Govt. to ratify the purchase without inviting tenders. The above articles have been accordingly purchased.

Sub:- Motor Vehicles - Public Health - Mangalore Municipality purchase of tyres - without inviting tenders.

Ref:- Government Endt. No.47382/54-1,L6. Health, Edn., and Local Admn.Department dated 1-6-1954.

The need for tyres and tubes for lorries could have been foreseen and there would therefore seems to be no 'urgency' about their recuirements especially in view of the fact that the Sanitary Inspector has reported so early as on 13-1-1954 regarding the need for tyres and tubes.

There is no audit objection to Government condoning as a special case the irregularity of purchasing tyres, tubes and flaps by the Mangalore Municipality without inviting tenders.

The rules may be required to be followed strictly in future.

The enclosures received are returned herewith.
